From the 1700's, Georgia's rich red soil has been good for farming. Our main crops include: peanuts, pecans, peaches, apples, blueberries, watermelons, corn, cotton, tobacco, and soybeans. Peaches are the main fruit crop. About forty varieties grow on our trees. Georgia is known as the "Peach State" because of the growers' reputation for producing the highest quality fruit which is recognized for its superior flavor, texture, appearance and nutritious qualities. The peach became the official state fruit in 1995.

Welcome to The Peach State!

The Atlanta baseball scene has been very vibrant and loyal since the beginnings of the club. The Atlanta Braves are among the original organizations of Major League Baseball that are still in existence today.

They started in 1876 as the Boston Red Stockings and went through a series of name changes until the Braves located in Atlanta in 1966. This t-shirt is a tribute to the beginnings of the ball game.

"Hotlanta" is a common nickname for Atlanta popularized throughout the US and abroad for over two decades now. The "Hot" in "Hotlanta" refers to the many wonderful things to do in this city, especially the sexy nightlife Atlanta is famous for. It also represents a youthful rejuvenated style and warm summer weather.

Although the music scene of Atlanta is rich, the city's production of hip-hop music has been especially noteworthy, acclaimed, and commercially successful. In 2009, the New York Times called Atlanta the "hip-hop center of gravity" and the city is home to many famous hip-hop, R&B and neo soul musicians like: 2 Chainz, B.o.B., Cee Lo Green, Ciara, Kris Kross, Lil Jon, Ludacris, Monica, Outkast, Tag Team, T.I., The-Dream, Usher, Ying Yang Twins, Young Jeezy & Pastor Troy. All in all Atlanta has easily made itself a staple in the music industry thanks to the many efforts of it's hip hop community.

One of the main attractions of Atlanta and the state of Georgia is the Chatahoochee River and its parks, trails and recreational areas. Today the river valley attracts us for so many reasons. Take a solitary walk to enjoy nature's display, raft leisurely through the rocky shoals with friends, fish the misty waters as the sun comes up, or have a picnic on a Sunday afternoon. Get outdoors and experience Chattahoochee River National Recreation Area as you have never done before.

Through the city itself, non-profit organizations like Atlanta Trees are dedicated to protecting Atlanta's urban forest through planting, conservation, and education, keeping it "The City In A Forest".

"It was the city government of 1887 that adopted the present official seal of Atlanta. Just 23 years after the city was conquered and burned by General Sherman, the seal tells, with a single emblem, the story of a resurrected city, rebuilt by dauntless citizens who refused to accept defeat and determined to make their city greater and more beautiful than before. As the phoenix, fabled bird of myth and story, rose from it's ashes to begin a new life, the people of Atlanta returned to the ashes of their city without bitterness or self-pitty, and began the gigantic task which lay before them".
